

Dear Families! Print out these questions, cut them apart and place in a bowl or container in the middle of the dinner table!

One family member at a time takes out a question at random and reads it out loud. That person answers the question and then asks one other family member the same question.

Now it's someone else's turn to choose a question, answer it and then ask another person to answer it.

This is a great way to start conversations, listen to each other, compare answers and be reciprocal!

Feel free to add your own questions too!
